The managers point of view

Firstly let me welcome the players officials and spectators of AFC Kempston Rovers to Crofters for this afternoons League Division One West game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

What can I say, we have started the new year as we left off the old and the confidence is still growing. Our dogged approach to last weeks game at Godmanchester showed me that as a squad we are well on our way to achieving our goals.

As a bit of advanced warning our indoor training stops at half term so it is hoped we will be able to continue at the club but back on grass. As for our Wednesday training again it is hoped that the lights situation will be fixed sooner rather than later so that we can see who we are playing when training.

As you may or may not know I was absent from training on Wednesday because I was in Bristol with my first grandson. He was born on Monday 23rd so I had to go and see the little chap.

Which leads me nicely into the question why was there only 8 people at training on Wednesday I knew about 5 non attendees but what about the rest of you. A text message or phone call is all it takes to let people know. The training has been changed to accommodate all those that said they could not attend because of the late times but still you do not turn up. As a club I am sure you realise that training helps to improve not only your own individual abilities but also the teams as a whole. So as a gentle kick up the backside we need to see you AL at training only good reasons will be accepted.

Finally to today's game, Kempston are one of our closest rivals for the top of the table, as with two games in hand to us could move a point clear if they win those games. So it bodes well that today's game will be highly contested with two good teams battling it out to be the winner.

As a last note Clacton deposits need to be in today so I hope you have your £25.00 ready.

All that is left for me to say is

'COME ON YOU ROBINS'

Dave Dawson (Manager)

Training

Since we have had the times changed for our training we have had a major drop off of numbers attending training on a Wednesday and the excuses of it is too late and it is a different venue have been made.

Well

After extensive investigation it appears that we can train from 8.00pm till 9.00pm on the Astro Turf at Mark Hall School but we would have to take a slightly smaller area as the area available is the end by the gate. One end of this area is barricaded off as they continue to work on the area. As with the under 17's it could be possible to extend the times a little until the other area is used by the senior men's team.

So

There should be no excuse now not to train. See you all there on Wednesday at 7.45pm so you are ready to go at 8.00pm

Sawbridgeworth Town v Stevenage Borough 1 - 0

This was billed as one of the top of the table clashes as with Stevenage with 2 games in hand to their host today should they win then they had the upper hand as we approach the last part of the season. But if Sawbo could get the result it would mean that The Robins would put an 8 point gap between the two sides and that may be a little to much to claw back over the coming weeks.

Sawbow started the game without regular Hannah Fraser who turned an ankle during mid-week fitness training and along with Judith Duffin who was still out with Tendonitis of the knee there had to be for the second week running two reserve team members who came into the squad as substitutes. Jackie Frost and Charlotte Turner had the honours this week. Clare Halfpenny was playing her first game back after shin splints for the first eleven and Robyn McFayden was back in the heart of the defence after last weeks unavailability.

The game started with a gusto as both teams pushed forward with earnest. The first 5 minutes was almost a blur as the ball and play went from end to end but both defences were strong and stalwart in the endeavours. There was not much of goal mouth efforts but the football being played was enthralling, two efforts of note were from Carlye Stein and Laura Day who both fired goal bound shots only to see desperate defending on the edge of the six yard box which saved the day, It was almost like a game of chess as each side battled to get the upper hand. Then Sawbo were dealt a blow when Gaynor Fisher had to be replaced on 30 minutes by Charlotte Turner as Fisher pulled her quad muscle sprinting for the ball. The first half finished with both teams contesting each and every ball which was a great advert for the fitness of both teams.

The second half started again with both teams contesting the ball but as tiredness began to enter parts of the game a few more free kicks were being awarded to both sides. When Sawbo were awarded a direct free kick about 22 yards diagonally from goal on the corner of the box Jackie Stott drove the ball towards goal and Rosie Milbrow in the Stevenage goal managed to get her hands to the ball but could only palm the ball into the inside side netting for the opening goal on 56 minutes. At this time Sawbo were just about on top but not totally as Stevenage would not bow down. Again they came and a shot from Katie light slipped past the post with Sawbo keeper Debbie Williams watching carefully. With about 10 minutes left Sawbo began a last push which resulted in a Stott volley firing over the bar and a Stein effort which Milbrow collected easily. Overall a game that Sawbo just about deserved to win but only just, as Stevenage contested all the game and showed why they will be there or there about come the end of the season.

Squad: D.Williams, N.Clifford, R.McFayden, N.Witteridge, C.Halfpenny, J.Gregory, A.Anstey, J.Stott, G.Fisher, C.Stein, L.Day Subs used: J.Frost, C.Turner.

The Football Association Rules Dept.

New rule starting 2006-2007

(Regarding the registration of players under the age of 16 years)

The Football Association has passed a rule that will affect any players who are currently looking to start playing open age football next season who would normally be eligible to play as they would be 14 years old by September 1st.

Starting next season 2006/2007 players will have to have attained the age of 15 years by September 1st to be able to play, and for the 2007/2008 season they will have to have attained the age of 16 years of age before they can play. This rule is apparently being placed across the board so that boys as well as girls will have to abide by the same rule.

This rule change will affect many clubs who rely on the younger player coming through to keep the numbers up. We have been told that this decision will be across the board as men's and women's football get closer. We will have to see if that happens.

League Plate Draw

We have been given a home draw against Arlesey Town in the 2nd round of the league plate this game will be played on 12th February 2006

This away fixture is never an easy game and because of the earlier defeat in the league by Sawbo Godmanchester were going to be after revenge so even more reason to play a controlled game where passing and movement were the tactics rather than the early ball. With Hannah Fraser, Jo Gregory both injured with ankle injuries and Judith Duffin still sidelined with Tendonitis of the knee the squad had once again to call up the services of Charlotte Turner from the reserves to allow a full compliment of 11 players for this game.

It was hoped that an early goal would settle the Robins but try as they might the goal would not come. The early pressure came from the visitors as they passed the ball around with ease trying to gain that space required to fire a shot goal ward but to no avail as the home side held firm. The first half saw the Sawbow play most of the football in the Godmanchester half although there were the odd scare as Godmanchester broke free but the superb defensive work of Nina Witteridge and Robyn McFayden held firm. It was not until after some 5 minutes of Godmanchester pressure that the first goal came. Clare Halfpenny broke up the Goddy attack and played the ball to Laura Day who fed Turner in the box who calmly controlled the ball and then fired it home under Anna Holder in the Godmanchester goal for the opening goal on 41 minutes. Two minutes later Gaynor Fisher fired a cross into the box and Day was unlucky to see her first time shot go just wide of the near post.

As expected the second half saw Godmanchester come out of the defensive mode that they had adopted in the first half as the tried to get back on level terms, although the defensive line up of the Robins have not conceded a goal in the league for some 6 games so the task was a daunting one. Then on 50 minutes a corner won by Sawbo saw Jackie Stott deliver a perfect ball into the six yard box where Witteridge had stole in unmarked to head the ball home. from this moment on there was only going to be one winner of the game as Sawbridgeworth Town shut up shop. Hopefully the injuries to Duffin and Fraser will be cleared up in time for the visit of Kempston Rovers next weekend as Fisher (Thigh) may be doubtful.

Squad: D.Williams, N.Clifford, N.Witteridge, R.McFayden, C.Halfpenny, G.Fisher, A.Anstey, J.Stott, C.Stein, L.Day, C.Turner
