The managers point of view

Firstly let me welcome the players officials and spectators of Arlesey Town to Crofters for today's Division One West League game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards. We also welcome today's referee

Steve Gleeson for this our last game we hope you also enjoy your short stay with us this afternoon.

Well here we are after a long season about to embark on our last game of the 2005-6 season, and what a season. Plate Finalists again, and it looks like it will be a runners up spot at the top of the divisional table. Our aspirations at the beginning of the season asked for promotion and another final, well all I can say is thank you we have very nearly pulled it off. Every registered player must give themselves a big slap on the back for a job well done and lets not forget the support that we have had from the reserves this season. They have also had a great start to their endeavours in the County League. With one game to go their mid table position in this their first season is very admirable. They have struggled at times supporting the first team with players while going out and playing with less than 11 but they have stuck to their task well. I strongly believe that the building blocks are in place to start putting together a very sound Women's Football Club structure within this our home at Crofters End.

The mid week results did not all go our way but AFC Kempston Rovers have had the upper hand with the games in hand so it was inevitable that we would end up with the second place. The one good thing is we have a chance to show that we are really the top dog so as to speak when we play them in the final on May 14th, it should be a hum-dinger of a game if form and recent games are anything to go by.

A coach will be available for those that will come and support the team at the final, early indications are that the fare will be around the £5.00 to £6.00 mark. Until I get the final price from the coach company I can't say for certain but it will not be any higher. Please give Nicky your name if you need to reserve a seat. There will also be an entrance fee to the ground of £3.00. A league set price not mine.

The final days are approaching when we need to have your Clacton monies in. Anyone who still would like to stay on site needs to get the full £75.00 paid to Nicky BY WEDNESDAY at the latest and we will add you to the list.

All that is left for me to say is

'COME ON YOU ROBINS'

Dave Dawson (Manager)

John Day

I would like to take this opportunity to formally thank John for his assistance and help throughout this season. Comments from home and away referees tells me he is an unbiased assistant referee on matchdays and that as a club it is a great accolade when there are some grounds that you go to throughout the season knowing you are playing against 12 and sometimes 13 players during the game because home referees and assistants seem to be playing against you. I know on behalf of all the ladies involved with Sawbridgeworth Town that we all appreciate what you are doing for the club and long may it continue.

Dave Dawson

This game was the first game played under lights at Crofters and the second game this season under lights as the first game against Hoddesdon was played at Hertford Town FC where Hoddesdon play their games. The two extremes were being contested with Sawbridgeworth needing to keep winning so that any chance of finishing champions or runners up in the league was still in the pot and Hoddesdon were at the other end of the table playing for pride.

The opening minutes of this game saw an upbeat Hoddesdon take the game to Sawbo and several half chances were created, but the miserly Sawbo defence held firm and slowly started to get themselves into the game. It seemed that Sawbo were not quite into the stride of things as final passes were going astray but the build up play was beginning to work. 10 minutes into the game Sawbo won the ball in midfield and released a superb ball into the feet of the running Laura Day who at this point must have had a little luck on her side as she fired the ball goal ward Vicky Hewett in the Hoddesdon goal managed to get fingertips to the ball but was unable to stop the ball from hitting the back of the net. More sound approach play from Sawbo found Day free but she was now being closed down as soon as she received the ball and this gave Joanne Gregory a little space alongside Day to have the opportunity to strike for goal but Hoddesdon player of the match Hewett was in inspired form for the visitors. Sawbridgeworth had much more of the open play than Hoddesdon but their efforts did not produce the goals that the play deserved.

The second half had Sawbo with the slope in their favour and they started a little sharper than their visitors, good overlapping play by both wide midfielders Carlye Stein and Clare Halfpenny almost produced the crosses into the box that Day and Gregory were waiting for but despairing challenges were made by the Hoddesdon back line to stop the final ball. On 57 minutes a brilliant 5 man move resulted in Jackie Stott firing a cross into the six yard box where Day immediately fired the ball into the net for her and Sawbo's second goal. It was the best move of the game and the end result was justification of the football Sawbo had played. Claire Taylor replaced Gregory on the hour mark and Sawbo kept the pressure up. Taylor gave a slightly different front line approach to Gregory and it almost paid dividends only to see once again the final ball not hitting the mark. At the end of the game it was a sound Sawbridgeworth performance against a gritty hard working Hoddesdon side that but for a poor start to the season would have been looking at Regional football next season instead of County league football that now awaits them. Jackie Stott received the player of the match selection from Hoddesdon, and once again the hard working Ann Anstey got the managers vote.
