The managers point of view

Firstly let me welcome the players officials and spectators of Arlesey Town to Crofters for this afternoons League game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

As I reflect on last weeks encounter I think all I can say is wow, The game lived up to all that you can say about cup ties, end to end football on a less than perfect playing surface which at times reduced the game to a farce but the players of both sides produced a game that was enthralling. Individual skills, team play and to cap it all a come back from a 2-0 deficit with just 10 minutes to go was astounding. Then with just 5 minutes to go in extra time and penalties looming a killer final goal that lifted Sawbridgeworth and to a degree gave Arlesey the same sinking feeling that Sawbridgeworth had endured with the last kick of normal time.

The weather played a major part in the game last week and as I write these programme notes the weather is less than promising for the game today. The daytime weather has been sunny and quite warm but the nights have been wet so if the game does go ahead lets hope that we have a better surface than last week.

Several games failed to get played last week due to the rain soaked pitches so in some ways we were lucky to get the game finished, because of this there will be several games played today to complete the cup round. Monday will see the quarter final draw being made at the Regional Council meeting with games to be played on March 12th.

It is hoped that we have completed the signing of possible two players this week as we look to strengthen the squad. As you are aware several players have dwindled away during the season and numbers are on the low side. It does not help the progress of the reserve team when I keep pinching players to turn out for the first team and by doing so leaving the reserves with less than 11 players. We have in defence of that action more injuries than ever before across the two squads so this is a major part of the problem and I am sure that as the injuries return both teams will be able to go to games with a full side plus subs.

I am sure you will all be with me in wishing Robyn's dad a speedy recovery from his operation to remove his prostate. A serious operation that does take a while to recover from, Get well soon our thoughts are with you.

All that is left for me to say is

'COME ON YOU ROBINS'

Training

12-02-06 League Plate 2nd Round

Sawbridgeworth Town v Arlesey Town 3 -2 aet

The Robins were made to work for the result today as Arlesey Town came with a mission and nearly pulled it off. With Sarah Tayler back in the fold and other players back from injury Arlesey were a different side that Sawbow beat 5 - 0 in the league late last year.

Wednesday training is from 8.00pm till 9.00pm on the Astro Turf at Mark Hall School. It would help if you could arrive at 7.45pm so that we can start our warm ups before entering the area which will give us more time for actual training.

Our Thursday night training has now stopped at Leventhorpe School so we will be looking to transfer that session to the club, (if ground conditions allows) This will be an 8.00pm till 9.30pm session so perhaps we will be able to get everyone to this session.

It would be good if all players could attend both sessions as this would generate a faster learning curve. I do appreciate working situations but there are some of you that miss both which does not go down very well.

On a very wet and sticky surface both teams set about getting to grips with the surface and trying to play football. Both teams seem to be able to move the ball well across the surface and some good end to end football was being played. On 6 minutes Sawbo won the first corner of the game and Jackie Stott fired the ball into the box and Carlye Stein managed to strike the ball well but straight at the Arlesey keeper. More end to end football but as the game went on Sawbo were just getting the upper hand in midfield. Then on the half hour mark Nina Witteridge was again caught on the shin she injured last week at Hitchin and was for the next few minutes taken from the field of play to have treatment. Being down to 10 men Sawbow battled harder and prevented Arlesey any space in which to exploit the space gained by not having Witteridge on the pitch. Witteridge returned to the game with 8 minutes of the half remaining and was on hand to make a decisive tackle on the edge of the box as Arlesey began to exert a little bit of pressure at the end of the first half.

Playing up the slope for this half Sawbow were to battle the pitch and the slope and on 50 minutes a corner by Stott found Witteridge who for this half was moved to right midfield who headed home the opening goal. The goal was a monster relief for Sawbow who were beginning to wonder where the goals would come from as try as they might the final shots were not directed or powerful enough to beat the Arlesey keeper. It was not until the 75th minute that the second goal was scored when Witteridge was once again played the ball by Stott on the right of the penalty box, Witteridge showed her skill by beating two defenders before driving the ball home for Sawbow's second. With 11 minutes left to play Witteridge was replaced by Poulton as at this time it was felt the game was won and we would run down the last few minutes and go home with a win. All through the game Arlesey's Sarah Tayler was marshalled by player of the match Hannah Fraser who time and again made the final challenge to thwart her advances, but then as if concentration was a nasty word Arlesey were allowed time and space to get back into the game when Mia Price scored for Arlesey. This goal lifted Arlesey and they started to push forward in numbers leaving just one-on-one at the back as they tried to get the equaliser but Sawbow held firm. Then with seconds remaining Arlesey's Kim Burton shot for goal and for a split second Debbie Williams in the Sawbow goal did not react as expected, firstly she moved to pick the ball up but then changed her mind and tried to kick the ball clear only for the ball to squirm onto the outside of her foot and into the goal. Sawbow barely had time to restart the match before the final whistle blew and extra time was looming.

The first period of extra time went by without too much goal action although both teams must be commended for their fitness as they were still going strong on a very (now) muddy and slippery surface as all through the game the rain fell making the pitch especially down the middle very unstable. It was now a situation where whoever managed to get the next goal would almost certainly win the game as with the second period of extra time both sets of players were tiring badly. Substitute Claire Poulton who came into the game as a replacement for Witteridge was not only the cleanest player on the pitch but also had those extra legs needed now to break free from the defensive shackles that Arlesey had put across the pitch. With 4 minutes of extra time left to play and penalties looming Poulton latched onto a through ball and drove the ball into the near corner of the goal for Sawbow to go ahead in the game once more. Sawbow this time started to defend better and when the game ended both sets of players were applauded off the pitch. The game had been played in a superb manner which drew a comment from referee Mr. Ron Bunce that the game was a superb advert for women's football and football in general, taking into account the playing conditions and the standard of play on offer.

The Football Association Rules Dept.

New rule starting 2006-2007

(Regarding the registration of players under the age of 16 years)

The Football Association has passed a rule that will affect any players who are currently looking to start playing open age football next season who would normally be eligible to play as they would be 14 years old by September 1st.

Starting next season 2006/2007 players will have to have attained the age of 15 years by September 1st to be able to play, and for the 2007/2008 season they will have to have attained the age of 16 years of age before they can play. This rule is apparently being placed across the board so that boys as well as girls will have to abide by the same rule.

This rule change will affect many clubs who rely on the younger player coming through to keep the numbers up. We have been told that this decision will be across the board as men's and women's football get closer. We will have to see if that happens.
