# Welcome to Crofters

27th September 2006

Tonight we welcome Arlesey Town WFC to Crofters for this the first evening kick off league game of the season for these two clubs. We hope the journey down the A1/M was not to bad and that the players officials and spectators enjoy your short stay with us and have a safe journey home after the game.

## The Managers Point of View

After beating premier division Barking in the preliminary round of the Women's FA Cup a couple of Sunday's ago we hosted Thurrock & Tilbury in the first qualifying round here at Crofters on Sunday, the match report is in full later in the programme and came away with a tremendous 1-0 victory. A very tight but entertaining game that was not settled until the 85th minute.

Having now played two league games we now must look forward to maintaining our good start so that we can build again for a sustained drive towards a championship at the end of the season. It is no good starting to think about that situation in December we have to get it in our mind set now.

With home games a plenty at the moment and the reserves not yet having played a game in the Essex league we must at the moment look at the current set of player availability as the major task before us. On paper the squad looks ok, but in reality it has left the reserves with less than a bare 11 and this is not good enough. We will be holding a meeting soon to discuss the matter so we as a club can continue with the two team set up. Recruitment seems to be the major task even at this late stage but if we can get another 4 players signed up the club can start looking forward again.

You will have noticed in the previous programme that we are looking for player sponsorship in the manner of small payments to secure your name in the programme against shirt, shorts, socks and boots of the players picked. A total player sponsorship is less that £15.00 so ask friends or family if they would like to have their name in every home math day programme this season .

A couple of items to put in your diary. We will be hosting the regular fireworks display again this year which if we get the right night may even make us some money, also are you up for another quiz night. I promise to drop the hard questions this time around.

On to tonight's game, Arlesey have started this season like Sawbo and have one win and one loss to their name in the league. Previous meetings between these two sides have always been competitive and tonight I am sure will be the same.

So lets get behind the Robins for the next 90 minutes.

**COME ON YOU ROBINS**

## Godmanchester Rovers v Sawbridgeworth Town 4 - 2

The hour journey up the M11 went without any problems on a very sunny and humid day. Sawbo travelled without Ann Anstey and Jo Gregory who were on holiday and Claire 'Taz' Poulton who has now started university. Having to promote two reserve players to maintain a starting eleven was what proved to be part of the problems that was to inflict defeat to the unbeaten start to the season for Sawbo.

Reserve players Charlotte Turner and Emma Yarrien were asked to be part of the first team for today's game and both took part in what was to be an unusual game. Sawbo have set this season as the must win season after two nearly but not quite ones and with an unbeaten start believed they could get a result against old rivals Godmanchester in this the second league game of the season. With both sets of players vying for early control it was the visitors who stole the lead when from a superb flighted corner by Jackie Stott, Nina Witteridge was on hand at the far post to nudge the ball home after just 15 minutes. This goal seemed to settle Sawbo and they began to try and play football but the slightly long grass was holding the ball up and when Sarah Gee intercepted the ball on the right flank and floated a cross into the box Nicky Clifford tried to clear the ball but connected delightfully to send keeper Debbie Williams the wrong way as the ball flew into the net for Rovers equaliser. This goal started a frantic half an hour where both players could not hold onto the ball long enough to make any advancement into the respective danger areas but it was Sawbo who were just the more determined at this stage and with half an hour gone went 2-1 up when Stott converted. The first half was littered with what appeared to be unnecessary off side decisions when players who were not interfering with play were flagged time and again by the home club assistant which with some poor refereeing decisions throughout the first half contributed to a growing sense of frustration to the visiting Sawbo side. On 35 minutes a good through ball from Perri Jeffries found Sarah Gee who managed to lob the advancing Williams to level the scores at 2-2.

The half time interval gave nothing to the feeling of disbelief in the Sawbo dressing room and they entered the second half determined but not convinced that a result would come their way. Godmanchester obviously had a wakeup call during the break and came out the more determined. This determination paid off when Jeffries and Gee paired up again for Gee to put the home side 3-2 ahead after 60 minutes. Sawbo found the home sides tactics of wasting time by what seemed like over playing injuries and time wasting at dead ball kicks a growing frustration which also brought the referee into play who started to clamp down on the antics. Try as they might Sawbo were unable to gain control of the midfield and the absence of Anstey played a major part of that inability which in the end was the undoing of Sawbo. The final goal came on 70 minutes when Laura McAllister flicked home at the near post from a Jefferies corner. Sawbo did not perform on the day as a team which has been the trade mark of the club this season. Yarrien and Turner both performed admirably throughout the game and as a result Emma Yarrien was awarded the opposition player of the match. It is unusual for Sawbo to have almost an entire team under the weather to the extent that it was difficult to apportion blame to any one member for the result. Every player played out of their skin under difficult circumstances but on the day it was not to be. Next week Sawbridgeworth Town Ladies entertain Greater London Division One Side Thurrock & Tilbury in the 1st Qualifying round of the Women's FA Cup at Home with a 2.00pm kick off.

Squad: D.Williams, N.Clifford, N.Witteridge, S.Anglin, H.Fraser, J.Duffin, J.Stott, C.Stein, G.Fisher, C.Turner, E.Yarrien.

Women's FA Cup 1st Qualifying Round Sponsored by E-ON

Sawbridgeworth Town v Thurrock & Tilbury 1 - 0

After last weeks disappointing result at the hands of Godmanchester Rovers in the league Sawbow were in a determined mood to set the record straight again in this game in the Women's FA Cup. Being drawn against Greater London Division One Side Thurrock & Tilbury was going to be a tough ask but the team were in a determined mood to try and win the game.

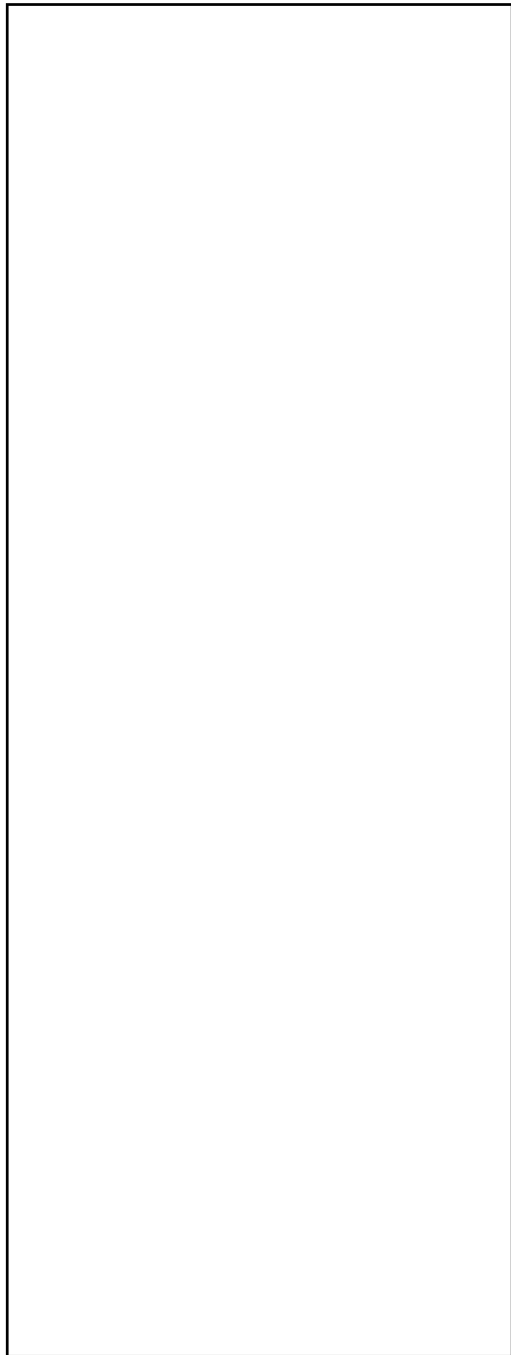

The game started in a fairly frantic manner as both teams who had never met in any competition before tried to get the upper hand in the early exchanges. On home ground Sawbow took the initiative and for the first few minutes had T&T on the back foot. Early half chances fell to Jackie Stott and Claire Poulton but they were not able to get the connection needed. It was then the turn of T&T to put pressure on the Sawbo defence and although holding a very firm defensive grip corners were given away cheaply to the advancing Thurrock side. On the 10 minute mark T&T won a corner on the right and the ball was driven into the edge of the box where it was met with a venomous volley from the Thurrock forward. The ball flew towards the Sawbo goal but Debbie Williams was asked to give a superb reflect save which managed to tip the ball over the cross bar for a corner when all around felt the shot deserved a goal. Sawbo's initial line up had to be shuffled as Judith Duffin was unavailable for the game and another blow came to the home side when Gaynor Fisher had to be replaced on the half hour mark after straining a side muscle stretching for a ball that was just out of reach. Lucie Sear entered the fray for her first 1st team outing and slotted into the task very well. The first half ended how it started with Sawbo attacking and Thurrock defending well on the edge of their penalty box.

The second half started in brisk fashion with T&T pushing more forward in an attempt to win the midfield which up till now had been the battle ground of the game as first the control went one way then the other with neither side really taking total control. With the game now being stretched as both teams set about getting the opening goal it became a very entertaining game for the spectator as even after an hours play the score was still deadlocked at 0 - 0 and with everything to play for. There seemed now to be several situations which slowed the game down which revolved around slight injuries to the Thurrock players and this to an extent helped Sawbo more than Thurrock as it gave a chance for the team to reshape and regroup ready for the next surge of effort. On 70 minutes Joanne Gregory who had run herself into the ground was replaced by Jackie Frost to try and give the extra impetus down the flank that the team needed at that time. Both teams were pushing hard for the advantage and obviously free kicks began to be given as last ditch tackles were made by both sets of players trying to stop the flow of the other side. On 85 minutes Stott was brought down about 25 yards out and in a central position. With Ann Anstey and Stott lining up to take the free kick Thurrock did not know which way the ball would be driven. Stott moved onto the ball and drove the ball into the top left corner of the net for what was to be the winning goal in this very tight and entertaining game. Sawbridgeworth Town now have to travel to Dagenham & Redbridge on October 8th 2006 for the Second Qualifying round.
