The managers point of view

Firstly let me welcome the players officials and spectators of Arlesey Town to Crofters for this afternoons League Plate 2nd Round game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

Well we had a bit of a hiccup at our last home game when we let slip a 1-0 lead in the dying minutes to a scrappy goal that gave Kempston a point. The good thing is that we did not lose so our points difference remained the same. With them still to play in the league the championship could all rest on that game.

As a bit of advanced warning our indoor training stops after next week so it is hoped we will be able to continue at the club but back on grass. With the lights now on at our end of the Astro Turf it makes training a lot better. All we need now is numbers to attend and all will be well and I will stop moaning

Last week we picked up more injuries as Charlotte Turner broke a bone in her foot playing hockey, Kelly Aubrey dislocated fingers during the reserve game against Ipswich. Along with Gaynor Fisher who is nursing an injury to the quad muscle. Kelly Mullender fractured wrist and Judith Duffin (Knee), the entire squad including first and reserves are suffering. I think it is the worst set of injuries we have had at one time for a long time.

Our win against Hitchin Hearts last week was hard work as we battled against 11 players and a referee. So the end result was deserved and long may we continue to grind out these results.

Today we enter into the Plate competition that we were finalists in last season. Arlesey are on the up again after securing a good 2-0 win against Kings Sports. They have also resigned influential Sarah Tayler who can be a thorn in the side of any opponent. We are in the last 15 in this competition so lets keep the good work we have done in the league spill over into this competition so we can look forward to another possible final appearance.

As a last note Clacton deposits have been paid by some with 15 players looking to stay on site. If you decide that you wish to stay then please get your deposit in quickly.

All that is left for me to say is

'COME ON YOU ROBINS'

Training

Since we have had the times changed for our training we have had a major drop off of numbers attending training on a Wednesday and the excuses of it is too late and it is a different venue have been made.

Well

After extensive investigation it appears that we can train from 8.00pm till 9.00pm on the Astro Turf at Mark Hall School but we would have to take a slightly smaller area as the area available is the end by the gate. One end of this area is barricaded off as they continue to work on the area. As with the under 17's it could be possible to extend the times a little until the other area is used by the senior men's team.

So

There should be no excuse now not to train. See you all there on Wednesday at 7.45pm so you are ready to go at 8.00pm

It seems that as we start to reach the final run in to the end of the season we are fixtured to play another rival for the top spot and today's visitors Kempston Rovers are one of those sides who are hot on our heels with 2 games in hand and just 5 points behind so should them games be won they would top the table. So this was to be another must not lose game.

As expected the game started in a frantic manner with both sides unable to hold the ball for longer than a few seconds. Kempston were definitely up for the challenge and showed their stronger physical side to win the ball in the middle of the park during these early exchanges. With 15 minutes gone the game began to fall into Sawbo control and a shot from Carlye Stein warmed the hands of Gemma Garner in the Kempston goal who just managed to turn the ball over the bar for a corner. From the corner Ann Anstey was fed the ball just outside the edge of the box and she unleashed a superb effort that clipped the cross bar and went over for a goal kick, seconds later it was Jackie Stott who shot from the edge of the box only to see the ball hit the underside of the bar and down onto the goal line with Garner quickest to gather the ball to stop a goal being scored. This early pressure finally earned its reward when Stott was fed by Clare Halfpenny and she drove the ball into the top corner on 22 minutes. Being a goal down Kempston raised their game but Sawbo were defending from the front and Kempston were unable to get into a decent scoring position. On 40 minutes Sawbo were unlucky not to increase their lead when Claire Poulton found Judith Duffin who fired just wide. Once again Sawbo were given the opportunity to extend their lead when Stott found herself 1 on 1 with the keeper just inside the box but her shot was parried round the post for a corner.

The second half started in a different manner as Kempston came out looking to get the goal back and they started to win the midfield battle that Sawbo had controlled during the first period. Winning the midfield was by putting 2 players on the impressive Stott when she had the ball and moving to Anstey when she had the ball to stop the influential pair the opportunity to play the ball forward. On 70 minutes once again it looked as if Sawbo may get the extra goal that their endeavours deserved but again the final shot from Carlye Stein went just over the bar. With the game looking as if it would end with just the one goal being scored Sawbo were dealt a killer blow with just 4 minutes remaining. A tentative ball was played high into the Sawbo defensive area and Nicky Clifford just failed to control the dropping ball and it was bundled into the net for a scrappy goal by Tracey Kup-Ferroth for the equaliser. The game finished with Sawbo still looking for the winning goal but ruing the chances missed in the first half which could and should have put the game beyond the reach on Kempston.

The Football Association Rules Dept.

New rule starting 2006-2007

(Regarding the registration of players under the age of 16 years)

The Football Association has passed a rule that will affect any players who are currently looking to start playing open age football next season who would normally be eligible to play as they would be 14 years old by September 1st.

Starting next season 2006/2007 players will have to have attained the age of 15 years by September 1st to be able to play, and for the 2007/2008 season they will have to have attained the age of 16 years of age before they can play. This rule is apparently being placed across the board so that boys as well as girls will have to abide by the same rule.

This rule change will affect many clubs who rely on the younger player coming through to keep the numbers up. We have been told that this decision will be across the board as men's and women's football get closer. We will have to see if that happens.

After last weeks loss of two points it was feared that close rivals Kettering would creep up on the Robins but they lost to Cottenham which meant the point gained against Kempston allowed Sawbo to increase the lead at the top of the table to 3 points although Kettering have a game in hand. It was then imperative to get back to winning ways and it was fortunate that today game was against the bottom side in the table Hitchin. Fortunate because of the injuries to Judith Duffin (knee) Gaynor Fisher (Quad Muscle) Charlotte Turner (Broken bone in foot) plus the fact that Hannah Fraser and Jo Gregory were just back after ankle injuries, and Clare Halfpenny was still suffering slight shin splints. But 11 players made themselves available for the game and were determined to keep the pressure up at the top of the table.

Sawbow entered the fray at a gallop and within the first minute had secured the first corner of the game. A mass of bodies prevented the ball from going any further than the edge of the 6 yard box but Sawbo had made their intentions clear from the first whistle. On 10 minutes Hitchin's experienced centre back Paula Hawkins had to be substituted as she pulled her hamstring which meant a reshuffle of the Hitchin back line. This reshuffle saw Hitchin top goal scorer Laura Ravenscroft revert from centre midfield to a centre back position which weakened the team immensely. The game was being played almost entirely in the Hitchin half of the pitch but Sawbo could not find the final shot that would have given them the lead. Hitchin defended in numbers so space became limited then on 40 minutes a horrendous tackle saw Nina Witteridge having to be taken off the pitch for lengthy treatment to a heavily bruised shin from the studs of the Hitchin player. While Witteridge was being treated a corner won by the Robins on the right saw Jackie Stott float the ball into the box where Robyn McFayden dispatched a diving header into the back of the net for the opening goal.

To maintain 11 players on the pitch Witteridge returned to the game at the start of the second half but as a right midfielder. Carlye Stein went to centre midfield with Ann Anstey taking over a centre back. The reshaping that the Robins had to make because of the injury to Witteridge did not make a major difference to the way in which the Robins played and this allowed the Sawbo team to continue where they left off in the first half. Almost constant possession saw Sawbo play some superb football with the ball being played all across the park and one of the best moves of the game ended with Stott laying the ball back to Witteridge who fired the ball onto the cross bar only to see the rebound drift wide of the goal from the boot of Stott. Sawbo got their much deserved second goal again after a superb bit of football when Clare Halfpenny linked up with Stott who found space and laid the ball to Carlye Stein who fired the ball just under the cross bar from 22 yards. More opportunities opened up for the Robins but good goal keeping from Mel Sayer in the Hitchin goal and some resolute defending stopped what could have been many more goals against.
