Welcome to Crofters

1st October 2006

Today we welcome Cambridge Rangers WFC to Crofters for this the first league game between the two sides this season. We hope the journey down the M11 was not too bad and that the players officials and spectators enjoy your short stay with us and have a safe journey home after the game.

The Managers Point of View

What a week it has been, last Sunday we played and beat a very good side in the Women's FA Cup and were on a high, then we play Arlesey Town in our mid-week fixture and lose to a team that was helped in every way by the referee. (Match report later in the programme)

We also picked up several injuries that at the time of going to print makes it look doubtful, if they will be back for this game today. Judith Duffin (hamstring) Carley Stein (calf) Jackie Stott (calf) with Jackie Stott the most likely to play but we will be giving her a fitness test before the game just to make sure.

It has emerged that we have several players that will be joining over the next few weeks as clearance and other commitments are completed. This will be a boost to the reserves who up till now have had their numbers reduced by first team requirements and other commitments which has meant a very late start to their league games this season. I have high hopes that once the reserves do start playing regularly they will be the surprise package in their division. With several new

and inexperienced players to select from eventually the side will learn and settle down and like last season the results will follow. It is imperative that we establish a team that plays almost every week together to get the team ethic right.

Next weekend we travel to Dagenham & Redbridge in the second qualifying round of the Women's FA Cup. Quite a milestone for Sawbridgeworth Town Women's FC. Everyone is welcome to follow us to Dagenham to see if we can extend our stay in this competition into the first round proper. Address of ground is printed later in the programme

A couple of items to put in your diary. We will be hosting the regular fireworks display again this year which if we get the right night may even make us some money, also are you up for another quiz night. I promise to drop the hard questions this time around.

So lets get behind the team for the next 90 minutes

COME ON YOU ROBINS

Women's FA Cup 1st Qualifying Round Sponsored by E-ON Sawbridgeworth Town v Thurrock & Tilbury 1 - 0

After last weeks disappointing result at the hands of Godmanchester Rovers in the league Sawbo were in determined mood to set the record straight again in this game in the Women's FA Cup. Being drawn against Greater London Division One Side Thurrock & Tilbury was going to be a tough ask but the team were in a determined mood to try and win the game.

The game started in a fairly frantic manner as both teams who had never met in any competition before tried to get the upper hand in the early exchanges. On home ground Sawbo took the initiative and for the first few minutes had T&T on the back foot. Early half chances fell to Jackie Stott and Claire Poulton but they were not able to get the connection needed. It was then the turn of T&T to put pressure on the Sawbo defence and although holding a very firm defensive grip corners were given away cheaply to the advancing Thurrock side. On the 10 minute mark T&T won a corner on the right and the ball was driven into the edge of the box where it was met with a venomous volley from the Thurrock forward. The ball flew towards the Sawbo goal but Debbie Williams was asked to give a superb reflect save which managed to tip the ball over the cross bar for a corner when all around felt the shot deserved a goal. Sawbo's initial line up had to be shuffled as Judith Duffin was unavailable for the game and another blow came to the home side when Gaynor Fisher had to be replaced on the half hour mark after straining a side muscle stretching for a ball that was just out of reach. Lucie Sear entered the fray for her first 1st team outing and slotted into the task very well. The first half ended how it started with Sawbo attacking and Thurrock defending well on the edge of their penalty box.

The second half started in brisk fashion with T&T pushing more forward in an attempt to win the midfield which up till now had been the battle ground of the game as first the control went one way then the other with neither side really taking total control. With the game now being stretched as both teams set about getting the opening goal it became a very entertaining game for the spectator as even after an hours play the score was still deadlocked at 0 - 0 and with everything to play for. There seemed now to be several situations which slowed the game down which revolved around slight injuries to the Thurrock players and this to an extent helped Sawbo more than Thurrock as it gave a chance for the team to reshape and regroup ready for the next surge of effort. On 70 minutes Joanne Gregory who had run herself into the ground was replaced by Jackie Frost to try and give the extra impetus down the flank that the team needed at that time. Both teams were pushing hard for the advantage and obviously free kicks began to be given as last ditch tackles were made by both sets of players trying to stop the flow of the other side. On 85 minutes Stott was brought down about 25 yards out and in a central position. With Ann Anstey and Stott lining up to take the free kick Thurrock did not know which way the ball would be driven. Stott moved onto the ball and drove the ball into the top left corner of the net for what was to be the winning goal in this very tight and entertaining game. Sawbridgeworth Town now have to travel to Dagenham & Redbridge on October 8th 2006 for the Second Qualifying round.

Sawbridgeworth Town v Arlesey Town 1 - 2

This game was scheduled to be played under lights as the league try to alleviate the possibility of double headers at the end of the season. With the return game being played under lights at Arlesey Town during April. The night did not start off well when the appointed referee for the game failed to turn up which meant that both sides agreed a referee who happened to be the father of the Arlesey Town goalkeeper.

Sawbow were stunned into life when after just 2 minutes of play an Arlesey attack down their right flank saw the ball whipped into the box where it was coolly dispatched into the goal by Marie Clark to put the visitors 1 - 0 up. From then on it was almost one way traffic as Sawbow piled on the pressure to get the goal back efforts from Jo Gregory, Jackie Stott, Judith Duffin and Gaynor Fisher all just missing the target or being shot straight at the keeper that kept Arlesey in the game. With Debbie Williams in the Sawbo goal almost a spectator for most of this first period it seemed it was just a matter of time before the home side would take command and score the goal which would then set them on their way. It was not until the 40th minute that Sawbo got their just rewards for the effort they had shown during the first half when Stott chipped the advancing Amie Fage to level the scores.

A very productive half time chat saw Sawbridgeworth enter the second half in a more determined mood and some of the football was a joy to watch but what must be put down to poor refereeing saw several very good attacks with good approach play being halted by indiscriminate decisions that stopped Sawbo in their tracks and again gave possession of the ball back to Arlesey Town. With Sawbo now having almost total control it was like the first half a question of when not if a second goal would be scored and then the killer decision that totally altered the game. With the ball bobbing around Sawbo's six yard box suddenly the whistle blew and it was thought a push had be given as a foul and that Sawbo would then clear their lines, but no, the referee deemed that a ball that had hit a Sawbo player in the centre of her chest and bounced into her face has a hand ball and he gave a penalty decision. It was the most blatant decision all night that gave Arlesey who had been out played and out fought all night the opportunity to walk away with the three points aided and abetted by the man in the middle. The spot kick was duly dispatched into the right corner of the net by Sarah Tayler to put the score at 2-1 to Arlesey Town. Sawbo still had time to get back into the game but again several ball winning challenges were deemed by the referee to be against Arlesey and the Sawbo attack was again thwarted.

During the 90 minutes Sawbridgeworth had some 80% of the play and had several chances to put the game beyond doubt but on the night we could not beat the referee.
