The managers point of view

Firstly let me welcome the players officials and spectators of Godmanchester Rovers to Crofters for this afternoons Eastern Region League Cup 1st Round game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

Last week we showed the grit and determination that this side has lacked a little of over the recent weeks. To come back from a 0-3 situation to draw 3-3 within the last 25 minutes was a superb effort. Much has to be said of the intervention from the bench of Jackie Stott who muscled her way as asked to gain more possession in the middle of the park. If the full second half minutes plus the added because of the injuries had been played I am sure we had the momentum to win the game but to go to Kettering and get the result we did was admirable.

Today we start our long (hopefully) road to Soham Town FC as we play Godmanchester Rovers in this the first round of the League Cup. As I am sure everyone knows but here it is again the first two round losers of the Cup go into the Plate draw and then the first two round losers of the Plate go into the Memorial Shield draw so there are at least a couple of catchments should the results not go our way early on. Playing Godmanchester is almost like playing a local derby as both clubs have failed to master the other in what last season turned out to be two drawn games of 1 goal apiece. This season has seen both clubs start reasonable well with goals being scored although Sawbridgeworth do have a slightly better goal difference. As we know cup games always turn up different winners now and then than that which is expected and as on paper this game could go either way lets hope that women's football in general comes out on top.

Last night saw what I hope was a successful firework display. At the time of going to print I know that the posters are out and people are talking about it so lets hope it went off with a big bang.

The next function as far as the ladies is concerned is the Quiz Night which is on Saturday 26th November her at the club. It is open to all so put the word around as we need to raise funds for the club for many items, tracksuits/rain tops/second kit/training etc.

All that is left for me to say is

'COME ON YOU ROBINS'

Dave Dawson (Manager)

Sawbo travelled to Kettering who are sitting second in the league table knowing that only a good performance would keep the momentum going in the chase for a top spot come the end of the season. Kettering had scored with ease in many of their earlier games and started the game with a plus 28 goal difference with only 6 games played. Sawbo on the other hand a plus 14 goal difference having played 6 games.

Sawbo were out of the blocks very quickly and within a minute nearly had the ball in the back of the net but just managed to miss the target over the bar. More pressure and again a good forward move resulted in an attempt at goal that the Kettering keeper saved well. 15 minutes into the game and Kettering started to exert their own pressure and Sawbo had to work hard in the middle of the park to stop the Kettering advance. The first half finished with the scores level but on the run of play Sawbridgeworth could quite easily had come in at 2-0 to the good

The second half was a different affair as Kettering were now playing against the very blustery conditions and adopted the quick passing along the ground method of play which was in direct contrast to the first half. While Sawbo were still coming to terms with adjusting to the conditions Kettering were getting into their stride and at times were making Sawbo chase shadows. A mixture of good football and poor marking allowed Kettering to get the first goal and it seemed as Sawbo were analyzing the reasons for the first goal Kettering scored a second goal. Prior to these goals Sawbo keeper Debbie Williams was kicked in the head as she dived at the feet of a Kettering forward. Obviously still a little shaken the two quick goals certainly brought Williams back to life and she made a superb save just after. Some 5 minutes later it was 3 - 0 to Kettering as some quick passing allowed the shot to hit the back of the net on 65 minutes. Surprisingly Sawbo had not played badly to be 3 goals down at this time as it seemed to be a mixture of bad luck and poor finishing that did not give the visitors goals in the first place. This third goal certainly picked Sawbo up and they then put an onslaught of pressure on the home side defence and from a corner Nina Witteridge ran clear into the six yard box and converted into the top of the net to make the score 3 - 1 on 70 minutes. 8 minutes later it was 3 -2 as Laura Day was fed the ball down the left channel and she evaded her marker to lay the ball into the path of Gaynor Fisher who side footed the ball into the net to bring the scores back to a 1 goal deficit. With just 4 minutes left on the clock plus any injury time Sawbo had won yet another corner and as substitute Jackie Stott took the corner Clare Halfpenny rose and glanced the ball past the keeper for a much deserved equaliser. With this Kettering sprung to life and won a corner and as the ball was cleared the referee blew for time. It seemed that the whistle blew with no added time for injuries which was at least another 3 minutes due to the head injury to Williams but in the end, the final result reflected the game.

Hitchin travelled to Sawbridgeworth without a point on the table but have managed to score in every game so far this season so although they have been beaten well they still have got a sting in their tail to score when the odds have been against them. under new management and with new players Hitchin are still struggling to find any form that resembled their end of season run last term.

Hitchin were out quick and within the first minute had made Debbie Williams in the Sawbo goal dive to her right to save. The ball went straight down the other end and Amie Faige in the Hitchin goal was on hand to stop the ball crossing the line three times as the ball bounced about in the Hitchin 6 yard box as Kelly Mullender, Carlye Stein and Laura Day all fired the ball goal ward. Sawbo were beginning to take off and a cross from Jo Gregory found Stein who shot over the bar. The rest of the half saw Sawbridgeworth keep winning the midfield battle and getting the ball into the final third but a blend of fine goalkeeping from Faige and inadequate shooting from Sawbo found the scores level but with Sawbo definitely ahead on points.

Within 5 minutes of the restart Stein was replaced by Judith Duffin and her pace was instrumental in the opening goal. Winning the ball about 10 yards from the penalty box she evaded her marker with ease and crossed for Day to finish to put the home side 1.0 up. Some 5 minutes later Jackie Stott who had worked tirelessly in the centre of midfield with player of the match Ann Anstey found Duffin with a neat cross field ball and Duffin again beat her marker and fired the ball into the net for the second goal. All this time Hitchin were trying to get hold of the ball and although they did on several occasions the penetration gained was quickly snuffed out as Sawbo's defensive line up held firm. It was not until the 85 minute that Sawbo finally put the opposition out of sight when Stott won the ball on the edge of the box and after a couple of strides took her into the box she fired the ball inside the near post for the home side to end the game with a clean sheet and 3 goals to the good.

AFC Sudbury v Sawbridgeworth Town 0 - 3

A disappointing first half that saw Sawbridgeworth by far the better of the two sides but unable to capitalise on the possession and play. Chances were being created but spurned in front of goal and as a result Sudbury were allowed back into the game and as a result 2 minutes before the break got a goal much against the run of play. Changes were made at half time to try and inject some more urgency into the team but it did not work as planned. The side became disjointed and the flow that was there during long periods of the first 45 minutes did not appear during this second half. Much as the Sawbo side tried it did not come off and from the pressure that Sudbury were now putting on the Sawbo defence a corner was conceded and a second goal was conceded by what must have been the youngest and shortest girl on the pitch who ran unmarked about 30 yards to meet the ball. Sudbury wrapped up a sound second half performance by scoring their third goal after a free kick was awarded on the edge of the box. Praise must be given to stand in keeper Kelly Aubrey who had an outstanding game
