The managers point of view

Firstly let me welcome the players officials and spectators of Godmanchester Rovers to Crofters for this afternoons League Division One West game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards. We also extend our welcome to our referee for today's game Mr. Ron Bunce of Ware, Herts. We hope you have an uneventful and enjoyable afternoon.

Well what a couple of weeks we have had. There has been more up and downs than a roller coaster. The last time we met Godmanchester Rovers was here at Crofters in the League Cup first round which we lost 1-0. The game was a fairly close encounter where the weather did all it could to get the game abandoned but in the end we managed to get 85 minutes which was about 10 minutes longer than it should have been. The following week we entertained a depleted Huntingdon side and without too much opposition won the game 5-0, then last week we travelled to Garston in the second round Herts County Cup which we lost, but really did not perform on the day. (more later in the match report)

Today we are back in league action and look forward to getting back to winning ways. Our current league position is much better than last season and I am sure that with a full available squad we can and will progress.

We heard last week that Natalie Till will most probably have played her last game of football because of the problem with a disc in her lower back. She requires an operation to repair the damage and as a result may have to give up the sport she loves so much. I have spoken to Nat and told her that when she is fitter she is more than welcome to take on a coaching role within the club. I am sure with me you all wish her well for the future.

Last night was our Quiz night. Did we make any money, at this time I do not know but I am hopeful the night was a glorious success as we strive to raise funds for much needed accessories.

Our reserve section continues to do well in the Essex County League and I am sure that as the squad gets stronger it will be a test for anyone. The mixture of youth and experience is doing well and it bodes well for the future of the club as the youth is where the future lies.

All that is left for me to say is

'COME ON YOU ROBINS'

Dave Dawson (Manager)

Herts County Cup 2nd Round

Garston v Sawbridgeworth Town 2 - 0

Hoping to progress in this competition Sawbo travelled to Bushey, Nr Watford for this second round County Cup game against Garston Ladies. Garston can boast a final defeat against Watford in last seasons final of this competition so it was going to be a close game on paper against Sawbridgeworth Town this season.

Right from the first kick of the ball Garston were deep into the Sawbo half but the ball eventually went out for a Sawbo throw. With Sawbo having to promote three reserve team players for this game as Nina Witteridge (work) Clare Halfpenny (shin splints) Natalie Till (Back) Gaynor Fisher and Kelly Mullender (unwell) all unavailable the squad had to be reshaped from the start with Jess Pyne taking over at left back with Hannah Fraser moving to centre back with Robyn McFayden. On 3 minutes the worst possible outcome happened when Garston took the lead after the ball was lost on the Sawbo left and the ball was played into the middle of the penalty box where it was met and duly dispatched into the net. Then on 20 minutes McFayden was forced to tackle on the edge of the box and the referee deemed it a foul and awarded a free kick. A well placed free kick was superbly turned around the right hand post by Debbie Williams in the Sawbo goal. All this time the Robins were getting back into the game and were starting to make inroads into the Garston midfield, as the half progressed the visitors were slowing having more of the ball and on 37 minutes a Judith Duffin shot just glided past the left upright for a goal kick. Another Duffin run down the flank saw a vicious tackle that left it's mark on Duffin's right ankle and the name of the Garston attacker in the book as a yellow card was produced. It was then down the other end of the park as Garston broke quickly and again Williams was off her line quickly to stop and save again. This first half ended as an end to end struggle as both teams attempted to get the upper hand. Garston were by far the more physical side and the intimidation of the management team did little to promote the game of women's football.

Garston made three substitutions at the interval and the fresh legs told right from the start as Garston were now able to win back the midfield that had been lost at the end of the first half. Although Sawbo were being made to chase the ball when they did get the ball it looked probable that an opportunity could be produced but the final pass was a little short. As the game became more open, both side searched for the next goal and more and more space was being exploited. A hasty clearance gave Garston a corner and as the ball was floated into the six yard box it fell just right for the Garston striker to bundle the ball over the line for their second on 72 minutes. Sawbo came close to getting a goal back when Joanne Gregory was found in the box and her glancing header just eluded the far post. The referee had to speak to the Garston manager to ask him to keep quiet as he was more than general in his comments over the game to the official. Sawbo were beaten by at times the better side on the day but also a side with a stronger and more physical approach to the game that the Sawbo players found outside the spirit of the game.

Sawbridgeworth Town v Huntingdon Town 5 - 0

This was the second league meeting between these two sides this season with Sawbridgeworth Town ahead on points with a 9-0 victory against a dogged 8 players when the sides met at Huntingdon. Huntingdon arrived at Crofters not much better off with regard to players than last time as they could only manage 9 players this time around.

Understandably the early pressure was from the home side and on 2 minutes a corner from the Sawbo right saw Nina Witteridge head over after losing her marker on the edge of the 6 yard box. Almost immediately after this Sawbo were on the attack again and this time Gaynor Fisher fired over from just inside the penalty box. Then on 5 minutes Laura Day fired over after being released by Jackie Stott. Then on 20 minutes a poor goal kick clearance fell to Stott who again fed Day and again the same outcome saw the ball floating over the cross bar. With all this pressure it was becoming almost a burden as Sawbo failed time and again to breach the Huntingdon goal which was being looked after by the Huntingdon player of the match Anna Parks. The opening goal came from a free kick awarded in the Sawbo half which found Day clear and running towards goal, as Parks advanced towards Day, Day calmly chipped the ball over the outstretched hands and into the net for a well deserved opening goal. 6 minutes later as we reached the 35 minute spot another corner saw Stott fire the ball into the box where Witteridge made amends for her opening miss by coolly heading the ball with power into the back of the net. Just before the half time whistle a poor clearance from Parks fell to Day who advanced and placed the ball under the keeper for her second of the game and Sawbo's third.

The second half was much the same as the first with a determined Sawbo side looking for more goals but keeping their starting shape. One of the best moves of the game saw the ball moved from right to left and back again before Day found Joanne Gregory on the edge of the box who unleashed a superb volley that crashed against the cross bar and away. It was not until the 81st minute that the Robins were able to increase their lead when Stott again became provider for Day who again shot the ball under the advancing Parks for her hat trick and Sawbo's 4th. Sawbridgeworth wrapped up a convincing win when just before the final whistle a rasping 25yard shot hit the top corner of the net while still rising from the right foot of Sawbo's player of the match Jackie Stott.

06-11-05 League Cup 1st Round

Sawbridgeworth Town v Godmanchester Rovers 0 - 1

As this was a cup game Sawbridgeworth altered their usual system of play to a more containing line up but the outcome was not what was expected. After just 5 minutes Debbie Williams in the Sawbo goal made a diving save at the feet of Godmanchester's Sarah Mansfield and Rovers having much the better of this first period with the slope and wind in their favour were putting the Sawbo midfield and back line under pressure. On 22 minutes a free kick was awarded to Rovers about 22 yards out Mansfield strode up and fired the ball goal ward and on the very wet surface the ball skidded and bounced awkwardly and Williams could only get fingers to it as it spun past her and into the net for the opening goal. From this moment on the game took on a frantic motion as each side tried to get control and with the weather degrading as the game continued the game also took on a different attitude.

The second half saw the Sawbridgeworth side more determined and with the slope in their favour there were great periods of time spent in the Rovers half but the final shot on goal was not testing enough. With the weather deteriorating as the game continued vast swathes of water were now laying on the pitch and although the ball was still moving across the water it was becoming more and more difficult to pass or move the ball with accuracy. Overall Sawbridgeworth can count themselves unlucky not to have at least got the game level but in the end the winner was the weather. A torrential 40 minutes rain storm prevented what could have been a very entertaining encounter that both teams gave everything to play in. The game was abandoned after 85 minutes due the pitch becoming unplayable because of the water on the pitch.

The Godmanchester point of view of the League Cup Game

Sawbridgeworth Town 0 Godmanchester Rovers 1

Godmanchester travelled to favourites Sawbridgeworth who were unbeaten at home this season. Goddy were missing Emma Shaw, Perri Jeffries and Kirsty Lemmon for this cup match.

Both teams started strongly however Godmanchester's midfield gradually gained the upper hand. Sawbridgeworth could not cope with Laura McAllister whose runs down the left wing caused havoc. In the fifteenth minute McAllister was hauled down for a free kick. Her free kick split the Sawbridgeworth defence and Sarah Mansfield latched onto it to knock the ball home for a well deserved 1-0 lead. Soon afterwards Sarah Gee hit a rasping 20 yard drive which the Sawbridgeworth keeper did well to block. The well organised Godmanchester defence made sure that Sawbridgeworth failed to create a decent chance in the first half which finished 1-0.

During the half time interval Godmanchester had to reshape as both of their central midfielders picked up injuries during the first half. Rebecca Hutchcraft came on for her debut game and reserve keeper Charlotte Roberts was put in midfield. As the players ran out for the second half the sky opened and torrential rain turned the pitch into a paddy field. With a weakened Godmanchester midfield Sawbridgeworth created the better chances but some strong defending and excellent saves from the Godmanchester keeper shut Sawbridgeworth out. Both teams tried to play decent passing football but the condition of the pitch worsened and it soon became unplayable. The match was abandoned on the 85 minutes and Godmanchester go through to the second round. With a couple of our players missing all of the players knew they had to roll up their sleeves and battle. They did themselves proud under very difficult conditions and towards the end they would have been better off wearing flippers instead of football boots!) The only negative thing that came out of the day is that our Captain Becks Thoday is out of football for 6 weeks after breaking a bone in her foot today after a challenge by a Sawbridgeworth player however Becks did play on and it was later revealed that she had suffered a broken bone. Everyone at Godmanchester would like to wish Becks a full and speedy recovery.

Sawbridgeworth Town Reserves

13-11-05 Old Island v Sawbridgeworth Town 0-3

This was the second league meeting between these two sides this season. A convincing 6-1 win to Sawbridgeworth in the first match could suggest that Old Island would want to settle the score this time around.

The game started at a brisk pace with both teams settling quickly. Sawbridgeworth dominated possession in the first half including an impressive 11 minute spell inside the Old Island half. Much to the frustration of the players, the numerous chances created failed to produce a goal. Old Island produced good counter-attacking moves throughout this period of play, to probe the defence and Sawbo goalkeeper Jackie Frost. The Sawbo players produced some great challenges to keep the home side at bay.

The second half continued with Sawbo dominating the play inside the Old Island half. With the scores remaining goal-less and Sawbo still looking for that elusive goal, Super-sub Michy Wood came on with 20 minutes remaining to play in central midfield. This change intensified the pressure on the Old Island goal and on the 81st minute, Ashley Johnston showed initiative and shot from inside the box, to score the first goal of the afternoon. The Sawbo team now began to play with increased confidence; over the 9 minutes remaining Kelly Taylor scored 2 goals to extend Sawbo's lead. The 3rd goal came from a near-perfect free kick taken by Wood, which swung into the box and was headed into the top corner by Taylor. The Sawbo team performed well as a unit under adversity, with the younger players showing maturity beyond their years.
