**Hoddesdon Owls**

Kick Off 7.30pm

## The managers point of view

Firstly let me welcome the players officials and spectators of Hoddesdon Owls to Crofters for tonight's Division One West League game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

Well this is an unique situation here in Sawbridgeworth as the ladies play their first game here under floodlights. Our first game against Hoddesdon was under lights at Hertford Town so both sets of players have had the opportunity to savour the different atmosphere that comes with the evening games. Tonight's game comes with an added edge as Sawbridgeworth are still aiming to keep the pressure on Kempston Rovers for the championship and Hoddesdon need a win to put pressure on Arlesey Town so as to see who may be the other relegated team from the division. It is somewhat ironic that Sawbridgeworth's next game is against Arlesey Town as well.

The Robins last game was the semi-final against Stevenage Borough which was a nail biter all through the eventual 120 minutes of football played (see report later in the programme). I must admit that I would not have liked to have been a penalty taker under those circumstances, so full credit must be given to those who put their names forward and delivered. We now look forward to that day in May when we once again take centre stage and this time come home with the trophy.

Tomorrow night our senior men's team take on London Colney in their Herts Charity Shield final at Letchworth. If you are free then come along I am sure the team would welcome your support.

The final days are approaching when we need to have your Clacton monies in. Anyone who still would like to stay on site needs to get the full £75.00 paid to Nicky ASAP and we will add you to the list.

Well this is our penultimate game of the season which has been tremendous throughout. Let's keep up all the good work we have done so far and finish in style.

All that is left for me to say is

**'COME ON YOU ROBINS'**

Dave Dawson (Manager)

Sawbridgeworth Town v Stevenage Borough 0 - 0 (full time)

0 - 0 (after extra time) 4 - 2 (after penalties)

When you have two teams drawn together in a semi-final that have the best defensive records in the league there was never going to be an avalanche of goals in the game. Playing at a neutral venue of Cottenham United and with appointed officials courtesy of the Cambridgeshire FA the game was set up for almost a final scenario.

The first thirty minutes Sawbridgeworth's defensive abilities were tested to the full and Stevenage pushed for the opening goal. Four corners in the space of the first ten minutes had the Robins back on their heels but good handling by Debbie Williams in the Sawbo goal prevented any real goal mouth alerts. Anna Ruiz-Jerez was the main outlet for Stevenage and she was testing the Robins back line but they held firm and restricted her to just two efforts which did not test Williams. The last fifteen minutes of the first half saw Sawbo get into the game and they started to push and pressure the Stevenage midfield and back line as they pushed to get their first goal but like Stevenage Sawbo could not test Rosie Millbrow in the Stevenage goal to the extent of opening the scoring.

The second half saw Sawbridgeworth take more control over the game and like Stevenage in the first half played the ball more in their half of the pitch than their own. Carlye Stein, Laura Day and Jackie Stott all had half chances but could not get the killer touch to put the ball into the back of the net. Then a series of corners for the Robins put more pressure on the Stevenage defence but they held firm and cleared the danger. The game was being played in a manner that saw both teams cancelling each other out as it seemed that both sets of players were more interested in not losing rather than trying to win. Extra time loomed and it was Sawbo who were finishing the stronger but the ninety minutes finished goalless.

Extra time was really a mirror image of the full ninety as both side pushed and pressured but with no real final effort to show for their endeavors. For Sawbo all thirteen players used on the day were magnificent and as the thought of penalties now came to mind not one player could be singled out as each and every one played their part in this game.

Penalties require strong players who stand up to be counted and with no hesitation Jackie Stott, Ann Anstey, Nicky Clifford, Nina Witteridge and finally Clare Halfpenny put their names on the list. Stott was the first to walk the long walk from the centre circle to the penalty spot and with everyone expecting the net to ripple as the ball hit it were left amazed as the ball went over the crossbar, Stevenage then strode up and converted which put Sawbo under pressure. Anstey was next in line and she steadied herself and drove the ball home to equalize, it was then Stevenage's turn to feel the pressure of the occasion and they put the ball wide of the target so all square again. Clifford then took the third penalty to try and put Sawbo ahead and she did not let the side down as she placed the ball well for Sawbo to now be in front for the first time. The third taker for Stevenage was now under more pressure as she walked to the ball and the pressure took its toll as she blasted the ball over the crossbar. Sawbo captain Nina Witteridge was the fourth taker for Sawbo and she calmly drove the ball into the net to now put Sawbo three one ahead. At this point the referee lost the plot so as to speak as he thought that Sawbo had won the game and blew up but then realized his mistake Stevenage walked up to take their fourth penalty. After the referee mistake the Stevenage player must have been under tremendous pressure but she very calmly dispatched the ball into the net for their second. It was now down to Halfpenny who had the chance to settle the game and make it an unassailable lead for Sawbo and she drove her penalty past the diving hands of Millbrow and Sawbridgeworth Town were now in the final for the second year running.

Credit must be given to both sets of players who battled hard for one hundred and twenty minutes to produce a semi-final that will be remembered for a long while.

## The Football Association Rules Dept.

### New rule starting 2006-2007

*(Regarding the registration of players under the age of 16 years)*

The Football Association has passed a rule that will affect any players who are currently looking to start playing open age football next season who would normally be eligible to play as they would be 14 years old by September 1st.

Starting next season 2006/2007 players will have to have attained the age of 15 years by September 1st to be able to play, and for the 2007/2008 season they will have to have attained the age of 16 years of age before they can play. This rule is apparently being placed across the board so that boys as well as girls will have to abide by the same rule.

This rule change will affect many clubs who rely on the younger player coming through to keep the numbers up. We have been told that this decision will be across the board as men's and women's football get closer. We will have to see if that happens.
