The managers point of view

Firstly let me welcome the players officials and spectators of Huntingdon Town to Crofters for this afternoons League Plate 3rd Round game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

Today will see the third meeting this season between these two sides and I am sure it will be a much closer encounter than the last two. In the previous two games Huntingdon were forced to play with less than a full side and it reflected in the results on the day, but what was apparent was that even without a full side they battled for 90 minutes. Their rewards have been, of late with a full side they have won points and pushed themselves away from the relegation zone.

A knockout competition always brings the best out of any side as it is a chance to win something on a game for game basis rather than the long slog of a league season and today we enter the quarter final stage on the League Plate. Two games and you are guaranteed a medal so the stakes for this game have an added incentive. Sawbridgeworth were lucky enough to compete in this competition's final last season and were unlucky to lose to Peterborough by the odd goal so the Robins have some unfinished business to deal with that can only be completed with a win in the final.

Sawbridgeworth got back on track last week with a sound performance against what on the day was a poor Stevenage side. The only saving Stevenage had was an equally poor referee and a somewhat less than 20-20 vision linesman (see report later in programme). A game that had a lot at stake on it was to end with a 0-0 draw and the belief that the only way we could have scored was for it to have been a 35 yard screamer and even then it would most probably have been ruled off side. Still we gained a point and because of other results regained the top spot but only on goal difference. We have got to get back to winning ways if we want to achieve the major task of being Champions and gaining promotion by right.

We have managed to secure the signing of Lindsey Kendall a promising young player who has been playing for Bishop's Stortford Community FC. A utility player with a promising future who will play till the end of the season in the reserves to gain much needed senior awareness and understanding.

All that is left for me to say is

'COME ON YOU ROBINS'

Cambridge Rangers v Sawbridgeworth Town 2 - 0

The days started as is was to eventually end with Sawbridgeworth Town playing the poorest game of the season and losing for only the second time in the league to a team that although have been playing better of late have not really played well all season.

Late arrivals meant that the journey north started some 30 minutes late and added to that the fact that the M11 northbound has some horrendous road works the route north was to be by 'A' roads which took in the local scenery. Arriving at the ground some 40 minutes later than planned meant a hasty change and warm up ahead of what was to be a hard struggle throughout the 90 minutes of play.

With the wind almost constantly blowing from one end of the pitch to the other Rangers won the toss and decided to play with the wind at their backs for the first half. The wind was like an extra player and Sawbo found themselves camped in their own half for long periods. All this pressure almost counted as the ball was cleared off the line on 20 minutes which was some relief for the Sawbo defence which had been under pressure for some time. A rare break into the Cambridge half resulted in Sawbo gaining a corner on 22 minutes. Jackie Stott drove the ball into the edge of the six yard box where Ann Anstey connected beautifully only to see the ball just skim the cross bar and over for a goal kick. Some 4 minutes later Anstey became provider as Stott was released down the centre only to see her final shot hit the side netting. At this point Sawbo had clawed their way back into the game and although the wind was still against them the opportunities were presenting themselves and from one such opportunity Stott brought the best save of the game out of the Rangers keeper who just managed to push the ball around the post for another corner. This little bit of sustained pressure brought Rangers back to life and with just 3 minutes to go before the break the Sawbo marking went astray. The ball was played into the Sawbo defensive left corner and was played into the box where the first attempt at goal was covered by Nina Witteridge but the ball fell to Alison Smethurst who side footed the ball into the net for Rangers opener.

It was felt that the second half with the wind at their backs that Sawbridgeworth would get the goal back and drive on to win the game but the day had other ideas. Sawbo were far below their usual high standards with almost every player playing below par. Every movement seemed an effort that was almost beyond the players on the pitch and although effort was being shown there was no cohesive look to the team. With Rangers now well on top a corner conceded meant more defensive duties were required and once again Sawbo fell short of what was required as the ball found the head of Carrie Hurelbrink who dispatched the ball into the net for Rangers second. Two substitutions were made by Sawbo to try and liven up the poor display with Jackie Frost replacing Kelly Mullender and Jessica Pyne replacing Claire Poulton. Both substitutes slotted into their tasks easily and performed as asked. The last ditch effort to try and get something out of the game saw Witteridge and Carley Stein pushed up front as strikers but the ball did not get there.

It was in the end a very poor display that hopefully will not be repeated as the season takes its final turn. Luckily Kettering who could have gone three points clear at the top of the table were held to a 2 - 2 draw with Hoddesdon Owls so all is not lost. Next week Sawbridgeworth Town travel to Stevenage Borough so that game becomes a must win as we strive to be champions but on today's performance we are a long way short.

The Football Association Rules Dept.

New rule starting 2006-2007

(Regarding the registration of players under the age of 16 years)

The Football Association has passed a rule that will affect any players who are currently looking to start playing open age football next season who would normally be eligible to play as they would be 14 years old by September 1st.

Starting next season 2006/2007 players will have to have attained the age of 15 years by September 1st to be able to play, and for the 2007/2008 season they will have to have attained the age of 16 years of age before they can play. This rule is apparently being placed across the board so that boys as well as girls will have to abide by the same rule.

This rule change will affect many clubs who rely on the younger player coming through to keep the numbers up. We have been told that this decision will be across the board as men's and women's football get closer. We will have to see if that happens.

A short trip along the A414 takes you almost to Codicote the home of Stevenage Borough. With the best two defensive records in the division this was never going to be a high scoring game and with the added ingredient of a gusting wind control was going to be a major factor as well.

After last weeks poor performance Sawbo were keen to put that behind them and produce a worthwhile display against Stevenage and try to keep the pressure on Kettering for the top spot in the division. With the wind at their backs Sawbo kept possession well and several chances were created within the first 20 minutes with three corners being awarded almost one after each other as the Robins looked for the opening goal. Stevenage were having trouble defending against the flowing Sawbo side and but for some late defensive tackles that on several players left their mark and the referee failing to take control Sawbo can feel aggrieved that their efforts did not produce the goal/s that their overall first half possession should have given them. At times the competitive nature of the game came close to boiling point as the referee did not have control of the game and several challenges went unpunished. The worst of which was a two footed challenge on Ann Anstey that left a whole in her sock and a bruised shin from the studs of the Stevenage midfielder and to cap it all the referee awarded a free kick to Stevenage (strange).

The second half saw Stevenage have a little more possession as with the wind in their favour they tried to outwit the Sawbo defence with long floated balls that were meant to drop over into the space behind but sound defensive understanding by Robyn McFayden swept the ball away and another Sawbo attack was underway. Time and again the refereeing and decisions made by the Stevenage Assistant left many watching in wonder how a decision could be made that benefited the home side so blatantly. Sawbo came closest to scoring with just 4 minutes remaining when Carlye Stein tried a half shot and half lob from the edge of the box but the Stevenage keeper was just able to claw the ball away, it seemed the ball took an age to fall and Joanne Gregory was on hand but the wait took its toll and the final shot went agonizingly over the bar. The game did not have many clear cut chances but the chances that were made fell to a Sawbo side that should have secured all three points on the day.

This was a much better performance from the Robins as the team ethic returned, along with the overall performance was the return of a clean sheet which was a must as next week Sawbridgeworth Town entertain Huntingdon Town in the Quarter final of the League Plate.
