The managers point of view

Firstly let me welcome the players officials and spectators of Kettering Town to Crofters for this afternoons Division One West League game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

Our last two games has got us back to a good defensive situation conceding just 1 goal which is a good for the team spirit as we get back to being difficult to score against as we move into the business end of the season. Added to that Jo Gregory hit her first goal of the season (well done Jo) in our last game which should now remove the shackles that have been slowly dragging her back hopefully more goals will come now the pressure is off.

We now know our semi-final opponents in the League Plate which is our fairly local rivals Stevenage Borough. We have a slight psychological advantage as we have not been on the loosing side this season with one drawn match and one win but all the same it will be a close encounter. As soon as we are given the venue I will let you all know.

Today's game against Kettering and next weeks away game against Kempston will I think decide our season. As a club we must keep to our playing ideals and standards. Not having a game last week will I hope have given you all the chance to recharge the batteries for these final few games and that we can deliver now that the winning post is in sight.

Gaynor Fisher is now available for selection after a long, long lay off through injury. We hope that she is now fit for selection for the rest of the season. Judith is still about three weeks away from fitness so we hope she will be available for the semi's. I have also registered Claire Taylor with the Region as extra cover from the reserves so that we can give more support as a squad in each game. I have been very impressed by Claire at training so I am hopeful the transition will be seamless.

As a final note there should have been squad, team and individual photo's taken today as we build a visual for the club. As we are semi-finalists we need the squad photo for the Region these photo's will also be available for the club as well.

All that is left for me to say is

'COME ON YOU ROBINS'

League Plate 3rd round **Sawbridgeworth Town v Huntingdon Town 2 - 1**

After two convincing wins in the previous league games when Huntingdon played with less than 11 players today's game was going to be a more difficult task because of the way in which Huntingdon have picked themselves up of late with a few wins of their own and against good opposition. Huntingdon also came to the game boasting a full squad and 4 subs.

Sawbo found the new look Huntingdon a more focused side as from the first whistle they put the Sawbo side under pressure and for those first 10 - 15 minutes were contesting everything and although Huntingdon did not have a clear shot on goal the evidence was there that if this was to continue then they might just get a chance. Sawbo got a free kick just on the edge of the box on the quarter hour mark which saw Anna Parks in the Huntingdon goal push thye ball around the post for a corner. Then on 27 minutes it looked as if Sawbo would open the scoring when Hannah Fraser laid a through ball to Joanne Gregory who went one on one with Parks only to see the keeper come out and close the angle and the shot to go just wide of the post. More pressure was mounting and Carlye Stein tried to lob Parks who was off her line but she managed to just get the ball. With a couple of minutes before the break Sawbo again took the initiative and from a Jackie Stott corner Nina Witteridge stole in but found her headed attempt go straight at the keeper. Almost straight from this attack Huntingdon broke down the left and the ball was played to Nadine Bowles who cut into the box from the flank and drove the ball across Debbie Williams for the opening goal on 44 minutes. The goal came about because of a lack of marking which was just a slight blip for what was a good half for Sawbo.

Sawbo started the second half with a determination to get the goal back and to try and win the game, but Huntingdon were not about to sit back and let it happen. The Robins continued to gain more possession in the middle of the park but could not find the final ball to try and get back into the game. A shot from Laura Day on 50 minutes looked goal bound until Parks dived and smothered the ball. Then the breakthrough came when Gregory was found just inside the edge of the box and her superb turn and shot saw the ball glide just inside the post for the equalizing goal and Gregory's first goal for the club this season. With this goal came a change in attitude of the Robins as they upped their game to another level and the football was a delight to watch. Day had another chance but found Parks in superb form as she again saved the goal bound shot. Then on the hour mark Clare Halfpenny was found on the left flank and her pace took her past the Hunts defender and she crossed for Stein who shot for goal but the cross bar came into play and the ball rebounded to safety. It was not going to be Day's day as again she was clear on goal but could not find a space past the impressive Parks. All through the game Huntingdon captain Amanda Godfrey was inspiring her young side and Sawbo had known they were in a game as past encounters meant for nothing. Then on 82 minutes Sawbo won the ball again in the midfield and the ball was passed to Stein who this time dispatched the ball into the roof of the net for Sawbo to go into the lead for the first time in the game. A sigh of relief came at the final whistle as a semi final place now awaits the Robins. Huntingdon proved that with the right backing they can be a difficult side to beat even though this was a cup game and teams are know to up their game in these situations. Carlye Stein was voted player of the match by the opposition. Joanne Gregory must be singled out for a mention as she put everything aside to produce a sound second half performance that resulted in her first goal this season.

Squad: D.Williams, N.Clifford, R.McFayden, N.Witteridge, H.Fraser, C.Stein, A.Anstey, J.Stott, C.Halfpenny, L.Day, J.Gregory. Subs not used: J.Pyne, C.Poulton

The Football Association Rules Dept.

New rule starting 2006-2007

(Regarding the registration of players under the age of 16 years)

The Football Association has passed a rule that will affect any players who are currently looking to start playing open age football next season who would normally be eligible to play as they would be 14 years old by September 1st.

Starting next season 2006/2007 players will have to have attained the age of 15 years by September 1st to be able to play, and for the 2007/2008 season they will have to have attained the age of 16 years of age before they can play. This rule is apparently being placed across the board so that boys as well as girls will have to abide by the same rule.

This rule change will affect many clubs who rely on the younger player coming through to keep the numbers up. We have been told that this decision will be across the board as men's and women's football get closer. We will have to see if that happens.
