## The managers point of view

Firstly let me welcome the players officials and spectators of Kings Sports to Crofters for this afternoons League Division One West game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards. We also extend our welcome to our referee for today's game Mr. Ken Ward of Bishop's Stortford, Herts. We hope you have an uneventful and enjoyable afternoon.

Well what can I say, what a great couple of weeks we have had. We managed to get our revenge on Godmanchester for knocking us out of the cup with a thumping 4-0 victory and then follow that up with a superb performance against Arlesey Town which resulted in a very convincing 5-0 victory. Both games showed how far we have come in a very short time and some of the football was breathtaking.

But now we have to come down to earth and look at today's game against Kings Sports. A 3-1 defeat was not what was expected when we last met earlier in the season and there were many questions asked as to why we allowed ourselves to be beaten on that day. As it is the only loss this season in the league we have obviously worked out the problems so it is hoped we have a more complete game today. Kings have themselves had an up and down set of results since that day in October where they have won just once in the league but have drawn twice and lost twice along with two defeats in the in cup competitions so I am sure that they will be ready for today's game as well.

At this point I must say many thanks to Jackie Frost and her team for a successful Quiz night. The overall money raise was in the region of £150 which will go towards the kit and tracksuits we will be ordering shortly.

While on the matter of money, our annual jaunt to the coast at Clacton as you know has now been changed to June and as such we are now needed to take deposits for those that are staying. The deposit is £25 payable by the middle of January and the remaining £50 by the end of March. This will give you the option to stay on site from Wednesday till the following Monday plus take part in the 7-a-side competition during the weekend. We have already put in for two teams so that both the first and reserves can have a playing option either mixed or as is. It would be great to have a mass of red and black on show for this weekend. (More later in the programme)

All that is left for me to say is

**'COME ON YOU ROBINS'**

Dave Dawson (Manager)

## Arlesey Town v Sawbridgeworth Town 0 - 5

There are always fixtures that you look forward to from the start of the season and this is one of them. Arlesey Town have by far the best facilities in the Division if not the league as a whole, and it is always a pleasure to be able to play football as it should be played along the ground on a pitch that will allow you to do so. Added to this is the fact that all the previous games between these two sides have always been competitive it is a mouth watering fixture to look forward to.

Sawbo started the brighter and were able to win the ball and keep it in the Arlesey half for long periods. In fact it was not until the 20th minute of the game that Arlesey had their first real attack on the Sawbo goal. Although Sawbo had had much more of the possession the final shot was missing but on 22 minutes Jackie Stott found Judith Duffin on the right flank who cut in and drove the ball goal ward only to see her shot rebound off the keeper and out to Jo Gregory who shot instinctively towards goal only to see it kicked off the line and away. Two minutes later the pressure got its rewards when a through ball found Gaynor Fisher who calmly opened the scoring for Sawbo. More and more pressure was being put on the Arlesey defence and credit must be given to them for their work in keeping out a rampant Sawbo side. On 34 minutes Stott fired the ball towards goal but Arlesey keeper Emma Chamberlin was proving to be a hard player to beat as she saved comfortably. The same scenario happened some 2 minutes later when Hannah Fraser fed Gregory who was clear and through on goal only to see Chamberlain again on her toes to save the goal bound shot. Possibly the best goal of the game came just before the break as Fraser collected the ball and ran forward some 25 yards before laying it in the path of Fisher who almost one touched it to Laura Day who was able to side foot her marker and calmly drive the ball over the advancing Chamberlain for Sawbo to end the half deservedly 2 - 0 to the good.

As expected Arlesey upped their game at the start of the second half and Sawbo were on the back foot for the first time in the game so far. Arlesey were quicker to every ball and it seemed that they had woke up from their first half slumber and were now making a fight of it. Sawbo managed just a couple of sound attacks during this period when on 55 minutes Fisher drove straight at the keeper and then again on 60 minutes a three man move saw Duffin and Ann Anstey link up to feed Stott who shot just wide of the upright. Sawbo at this point managed to get back to winning the ball in midfield and on 75 minutes against the current run of play Fraser found Gregory who laid the ball to Day who scored her second and Sawbo's third. 10 minutes later a free kick saw Stott float the ball into the box where it was cleared but only to Duffin who fired the ball in and Chamberlain managed to get to the ball and parry it across goal where it was cleared off the line. A minute later Day got her hat trick when she had the easiest of chances from a cross from Duffin to side foot the ball home with the keeper for once beaten by the quality of the cross. Stott wrapped up a very good afternoons work when she latched onto the end of a move started by Fisher that found Day free who laid it into the path of Stott to drive home.

27-11-05 Sawbridgeworth Town v Godmanchester Rovers 4 - 0

The past couple of weeks has seen Sawbridgeworth not quite at the races so as to speak as although performances have been acceptable the overall outcome has seen a defeat in the League Cup a win against a depleted Huntingdon and a lacklustre defeat against Garston in The Herts County Cup. So today was a chance for the Robins to claw back some pride against the side that knocked them out of the cup just a couple of weeks ago.

The first ten minutes saw both side take advantage of each other with both teams having half chances but neither keeper was really challenged in this opening period. The next 25 -30 minutes saw the visitors edge the play and it was during this period of play that from a superb forward pass from Robyn McFayden which found Judith Duffin who slipped past the defender and drove the ball over the diving Rovers keeper and into the net for the opening goal. Although both sets of players kept up the challenge Godmanchester can feel a little down as on the first half display they certainly deserved to be level.

The second half started with a flourish as within 2 minutes of the restart a flowing move saw Jo Gregory find Carlye Stein who quickly passed it to Ann Anstey who drove the ball goal ward only to see it clip he inside of the right upright after beating the keeper and cannon across goal where Laura Day had anticipated the ball and was on hand to side foot the ball home for Sawbo's second. With the pressure off Sawbo started to play instinctive football and as a result the third goal was crafted and Duffin got her second and Sawbo's third on 55 minutes. Sawbo allowed their shape to falter slightly after this goal and this gave Godmanchester a glimpse of a chance to get back into the game as Debbie Williams had to make a couple of saves to keep the score sheet at zero. Sawbo settled again after this and from a corner on 75 minutes Robyn McFayden scored her first goal for the club and Sawbo's fourth to wrap up a very good afternoons work.

Sawbridgeworth Town Reserves v Ipswich Town Reserves 1 - 2

Sunday's match saw a very exciting game between to teams who were looking for a win. The game started at a high tempo with both teams advancing towards each others goal line with Ipswich having the early chances, However Sawbo keeper Jackie Frost advanced off her line to block their route to goal on a number of occasions. Sawbo opened the scoring when they were the first to take their chance half way through the first half, with an excellent corner finding Claire Poulton at the back post to tap it in making the score 1 -0. The goal settled Sawbo and they began to played the ball around well, creating a number of chances to extend the lead. However just before half time Ipswich scored to make the scores level at half time.

At the beginning of the second half Ipswich broke away and ended up extending their lead, taking the score to 2-1. This goal spurred Sawbo who began to push forward throughout the period of time to try and find that equalizing goal but it just would not come. Gaining control of the game for long periods Sawbo saw many chances being created but were unable to capitalise on the chances created. In an attempt to stifle the game Ipswich placed three striker up front in the last 15 minutes to try and push for the advantage, only to find Frost in excellent form. Although Ipswich went home with all the three points Sawbo can walk away with their heads held high with Sawbo seeing this match as their best performance of the season. Credit must go to both teams for a very entertaining game

### *This seasons first game report*

Kings Sports v Sawbridgeworth Town 3 - 1

This was a fixture that the management of Sawbridgeworth looked upon as a game that could be won in our quest to finish at the top of the table come next May. The early season results and performances led to this thought but the final outcome was far from that. The game started with both teams vying for possession in the middle of the park and eventually Sawbo took hold. Playing the ball around on the floor with almost every player getting a touch saw the visitors in control and it seemed just a matter of time before a goal would be produced and Sawbo would be in the lead. Ann Anstey had been playing very well, getting in telling challenges and winning the ball in the middle of the park and she was becoming a major influence in midfield. On 22 minutes Anstey failed to get up after a challenge (injury to Achilles area) and had to be replaced by Carlye Stein. For the next couple of minutes Sawbo had to regroup and with this came the opening goal as Stein was fed the ball and she lobbed the keeper from just outside the penalty box. This goal should have lifted Sawbo for them to go onward and upward but for some reason it gave this lift to Kings Sports. The front two of Kings Pili Huertas and Kim Atkinson became more involved and when Huertas spun and shot home from the edge of the box the scores were now level and Sawbo seemed not to have any answer. The remaining 15 minutes was a catalogue of mishaps as the referee failed to take control of both sets of players. There was no aggressive behaviour from either side but his decisions left a lot to be desired as both sides were left asking questions as to his actions. Robyn McFayden became one on one with Huertas as she attacked the Sawbo goal and as Huertas tried to side step McFayden she left a trailing leg which allowed Huertas to trip in the box and a penalty was awarded and converted to make it 2 - 1 to the home side. Just before the break Megan Scrivener of Kings made it 3 - 1.

After a long discussion Sawbo entered the fray with more determination to get the goals back and a more determined approach seemed to upset the referee who gave every 50 50 tackle to the home side. Try as they might Sawbo could not get the goals their play deserved as time and again the Kings defensive line was cut open but for last ditch tackles and saves by the keeper kept the score the same. More indecision by the referee incensed Nina Witteridge and it then seemed as if every tackle by Witteridge was then given as a foul to the opposition even when the ball was taken cleanly. To save further persecution from the referee Witteridge was substituted and replaced by Clare Halfpenny, also at this time Kelly Mullender replaced Jo Gregory who had put everything into her game. No more goals were scored and the game generally was played in a good spirit. But for the referee the game would have flowed and who knows the result might have been closer.

Sophtlogic	11	2	0	9	14	29	6

For your information this is the next level up from the Eastern Region Women's Football League that we are in. As you will see Bedford Town Belles have moved away from the bottom two but are still close enough to get caught in the final games, that would mean a relegation into the Premier Division of the Eastern Region. With Sophtlogic also an ERWFL side it would cause a dilemma if both had to be relegated as you know we only promote one out of the region. Although Dagenham & Redbridge may also have the option as they are an Essex based club and we are the rightful progression for Essex based clubs to go into as a region. The final decisions will be left to the Football Association but it does give us as a region cause for concern as to who may or may not be part of the Eastern Region next season. On the other hand as the season progresses we will be looking soon at the bottom of our division one West and East table to see who may be relegated out and also at the county leagues to see who may be promoted in. This coming season will be the first of our new integration within the Pyramid of football so it will be a major achievement if it all goes without a hitch. Something to look forward to.
