## The managers point of view

Firstly let me welcome the players officials and spectators of Stevenage Borough to Crofters for this afternoons League Division One West game. We hope you enjoy your short stay with us and that you have a safe journey home afterwards.

Starting a new year after a break for a couple of weeks means the first game is always going to be a bit of a lottery as to how the team will play. But I was pleased with the application of the girls away at Cottenham which is always a difficult game as far as Sawbridgeworth is concerned. At the end of the game we can look back at a convincing win as far as game play was concerned but people only read the results so a 1-0 win is all they see. Still it is 3 points towards our promotional push. Our visitors today Stevenage Borough also enjoyed a first game win in this new year beating Hoddesdon Owls 2-0.

At this time the league table shows 4 teams that when all the games are level could be chasing a top spot, Kettering, Kempston our visitors today and ourselves will all be looking at each others results for the rest of the season so as to see if they have managed to break free from the pack. It also means that today's game becomes a very important game that will almost be a must not lose game for both sides if each club wishes to keep the promotion thought alive.

With just 15 teams available for the League Plate 1st round all teams have got a bye to the second round so next weeks cup game space in the fixtures will almost certainly be filled with a league fixture.

Our reserves had a slightly different result for their first league game of the year as they were beaten by AFC Sudbury. It was as a result of not having enough players to field a full 11 which is something that has got to be tackled this year. The reserves have some 15 players registered but for some reason the players do not turn up for games. The reserves though are still sitting in mid table which is testament to the ability of the squad in this their first season.

Good news, we have been given the green light to move our Wednesday training an hour earlier. It will mean using the first part of the Astro Turf which has a slight restriction as to size but we should be able to use that area from 8.00pm till 9.00pm or possibly a little later depending if other teams are going to use it.

All that is left for me to say is

**'COME ON YOU ROBINS'**

Dave Dawson (Manager)

# Training

Since we have had the times changed for our training we have had a major drop off of numbers attending training on a Wednesday and the excuses of it is too late and it is a different venue have been made.

Well

After extensive investigation it appears that we can train from 8.00pm till 9.00pm on the Astro Turf at Mark Hall School but we would have to take a slightly smaller area as the area available is the end by the gate. One end of this area is barricaded off as they continue to work on the area. As with the under 17's it could be possible to extend the times a little until the other area is used by the senior men's team.

So

There should be no excuse now not to train. See you all there on Wednesday at 7.45pm so you are ready to go at 8.00pm

Sawbridgeworth Town v Kings Sports 1 - 0

With only 8 goals conceded in the league this season and 3 of those were conceded against Kings Sports earlier in the season this game took on a different mode as Sawbo looked to avenge the early season defeat. On a pitch that was passed fit but only just the game was to turn out to be a testament to the qualities of ladies football which saw a tremendous amount of good competitive football on a surface that was almost an ice rink. Pre match instruction stressed that if as a club we wanted to press for a promotion place at the end of the season this game was a must win as Kings were the only club so far this season to beat us in the league and that it was time to get our own back. Bringing into this game a 270 minute clean sheet situation it was hoped that the new confidence would continue and we could look to the Christmas break with a smile on our faces.

Sawbo took control very early in this match and on a good flat pitch but because of the weather poor footing both sides took a while to adjust. The Robins mastered the conditions better and were putting Kings under constant pressure and from a resultant free kick Jackie Stott strode up and guided the ball over the defensive line to Judith Duffin who controlled the ball and shot past the diving hands of the kings keeper and into the far corner to give the home side a very well deserved early lead on 5 minutes. The game ebbed and flowed in and around the centre third with Sawbo gaining more of the ball but could not penetrate the defensive line up that Kings had adopted, and when they did the Kings keeper Hannah Biddel was there to catch the ball. This pressure continued throughout the first half but further goals would not come.

After the interval Sawbo continued where they left off gaining more of the possession but failing to breach the defensive lock that Kings had in front of goal. Try as they might chances were few and far between but Laura Day and Jo Gregory battled throughout up front to try and engineer an opening but to no avail. In the heart of the midfield Ann Anstey was constantly driving forward and was constantly challenged. Jackie Stott was voted player of the match by Kings and her tireless competitive performance somehow kept the belief alive that Sawbo would score again before the end. The game ended with Sawbo still attacking and trying to get another goal and Kings defending in numbers to keep them out.

Sawbo now look forward to the Christmas break so as to recharge the batteries before the games restart in January 2006

Cottenham United v Sawbridgeworth Town 0 - 1

After almost three weeks without a game the Robins travelled to Cottenham for this first league game of 2006 not knowing if the layoff would stop the momentum from the previous year. On a cold and wet January Sunday the first 20 minutes of this game saw both teams trying to gain the upper hand. A titanic midfield battle ebbed and flowed for almost the entire first 45 minutes with very little goal mouth action. Chances were few and far between but Sawbo finished the half with just a slightly better possession percentage. There were some mistimed tackles from the Cottenham team that left several of the Sawbo players nursing bruises but the football still flowed.

The second half started well for the visitors as it seemed the half time stoppage helped Sawbo more than it did Cottenham. Sawbo were sharper to the ball crisper in the tackle and more precise in the passing and it showed after justly 1 minute of the half when Nicky Clifford found Laura Day in front of her marker and as she received the ball her turn and shot saw the ball nestle into the back of the net for the opening goal. As is the case this goal lifted Sawbo but for the next few minutes it floundered Cottenham and with this slack response Sawbo edged further ahead on possession and started to play some superb football. Twice in as many minutes Sawbo had the ball on the flank and the cross along the ground across the six yard box only needed the slightest of touches to put the game out of reach of Cottenham but twice the ball just eluded the feet of the Sawbo players and the ball was cleared to safety. Joanne Gregory was replaced by Claire Poulton with 29 minutes left to play and almost had her name on the score sheet with almost her first touch of the game. With just a minute left to play a corner was floated into the near post by Jackie Stott and it was met by Carlye Stein who headed with power just over the bar. Poulton who with Jessica Pyne had been promoted for the game from Sawbo reserves as Judith Duffin (Tendonitis of the Knee) and Robyn McFayden (family commitment) were not available for the game. Both Pyne and Poulton showed they had no problem in stepping up to the first team and both played with understanding and commitment. At the end of the game Sawbo can feel a little aggrieved that they did not win by more than the 1 - 0 result as they had almost dominated the second half.

Stevenage Borough v Sawbridgeworth Town 1 - 1

With the weather beginning to take a major part in the regional games as 7 games were postponed due to water logged pitches it was good to know that the pitch at Stevenage was playable for this latest venture for Sawbridgeworth Town Women's Football Club. The corresponding game last season ended with a deadlocked 1-1 draw, but with Stevenage 2nd in the table and Sawbow in 7th the possible outcome looked favourable for the home side.

Sawbridgeworth took a lot on board from their game last week against London Colney and the belief and confidence was still there as they took control from the first whistle. For the first 30 minutes Stevenage could not hold onto the ball as time and again Sawbow were harrying to win the ball back and to also keep possession for long periods. The Stevenage midfield and defence were under constant pressure and again but for some weak finishing Sawbow could have had the game wrapped up in the first 15 minutes. It actually took till the 24th minute when some delightful football opened up the spine of the Stevenage team when Robyn McFayden's through ball found Laura Day who had her shot parried by Stevenage keeper Rosie Millbrow into the path of Claire Poulton who smashed the opportunity into the back of the net for a well deserved opener for Sawbow. On 30 minutes Kelly Milton was replaced by Josie North who instantly added a touch of speed down the Stevenage right flank. Claire Halfpenny at first found the task a little daunting but soon got to grips with the pace and was able to match most of what was offered. After yet another attack on the Stevenage goal the ball fell to Lindsey Light who launched the ball forward to sister Katie on the half way line. Stevenage had a three against two situation and when Jackie Frost was confronted one on one with Liz Brodie, Brodie got the better and slotted the ball home for the equaliser on 33 minutes.

The second period was a much more even encounter but neither side could sustain a prolonged possession situation and to take control. On 55 minutes Sawbow were lucky not to concede a goal as the ball bobbed about the 6 yard box with boots flying all over trying to get a connection but in vain. The ball was eventually cleared but it was not until after goal line clearances by Nicky Clifford and Nina Witteridge that kept the scores level. Jo Gregory had to be replaced on 70 minutes by Emily Gizzi and the rest of the game was played out with both sides battling to try and get the winner. Opposition selected player of the match was Jackie Stott. But mention must also be given to Ann Anstey, Jo Gregory (until she came off) and Robyn McFayden who all had exceptional games.

## LAST SEASONS WEB-SITE MATCH REPORTS

Sawbridgeworth Town v Stevenage Borough 0 - 1

With all games called off on the Sawbridgeworth Town main pitch this week end the Women had to quickly find an alternative pitch to play this weeks game. Once found it was noticeable that the pitch would have benefited with a quick cut of the grass but this was not able to be done. It meant that the game would have to be played in the air more as the usual ground play that Sawbo use would be useless as the ball would not run.

Stevenage started quicker and had the Sawbow defensive line deep into their defensive third and it took some time before the ball ventured across the half way line into the visitors half. With Sawbo not having lost in the league since October 3rd last year this situation was not liked and defensively a few errors were made that resulted in free kicks being given for basic errors. The early storm weathered Sawbo began to play more of the ball into the visitors half and the pressure for a time was relieved, then a hopeful ball played to Ana Belen Ruiz Jerez a recent signing for Stevenage saw another mild touch on the back being given as a free kick about 20 yards from goal. Jerez took the free kick and dispatched the ball just under the bar with Sawbo keeper Debbie Williams only being able to push the ball into the top of the net as she tried in vain to stop the powerful strike on 30 minutes. The rest of the half saw the Robins contesting more and winning the ball more in the middle of the park but were unable to have a meaningful strike on he Stevenage goal.

The second period saw a see-saw game with the ball and game being played end-to-end as each side battled to gain the upper hand but the effort shown by the home side was not going to get the equaliser as the Stevenage side defended well. Sawbow's new signing Judith Duffin entered the fray on 65 minutes for her debut to replace the tiring Claire Poulton but had to take a central attacking role instead of her more natural wide midfield place, several minutes later Jessica Pyne replaced Laura Day who picked up a slight knee injury.
